

# e-Track™ Electronic Driver Logs

## Integrated Vehicle Inspection (DVIR)

e-Track™ has an integrated Vehicle Inspection Report (DVIR) that allows the Driver to log the Pre-Trip and Post-Trip Vehicle Inspections as required by DOT Regulations.

An Interim Inspection also allows the Driver to perform spot check inspections during the day when necessary.

Minimum Android version supported is 4.0.3 Ice Cream Sandwich.  
Minimum iOS version is 8.3.

TrackNet is an Authorized ATS e-Track Platinum HOS / ELOG Partner.
